PROCEEDING NO. 19I-0347R

IN THE MATTER OF THE REGIONAL TRANSPORTATION DISTRICT'S CORRECTIVE ACTION PLAN REGARDING THE SABLE BOULEVARD AND EXPOSITION AVENUE DERAILMENT, RULE 4 CCR 723-7-7347

REGIONAL TRANSPORTATION DISTRICT'S REPORT OF REVISED TIMELINES FOR PROVISION OF ANALYSIS OF OPERATOR HIRING, RETENTION AND ABSENCE, AND FOR REPORT OF MANUFACTURER'S ANALYSIS

Regional Transportation District, ("RTD") through counsel undersigned, files its Report of Revised Timeline for certain additional information to its Corrective Action Plan ("CAP") in this proceeding as follows:

1. By Decision No. C19-0535, the Commission opened an Investigation of the Derailment that is the subject of this proceeding.

2. RTD filed its Corrective Action Plan ("CAP") and associated hazard analysis in this proceeding on July 18, 2019.

3. RTD filed additional information to corrective action plan on September 16, 2019. In the additional information, RTD stated that it expected to have its light rail vehicle manufacturer's final analysis of LRV door performance by November 30, 2019. RTD has not yet received that analysis.

4. RTD also indicated that it was working on an analysis of its light rail operator mandating history, hiring, retention and absences. In its Notice of

Revised Timeline of October 31st, 2019, RTD stated that it expected to be able to provide the analysis to the Commission no later than November 30, 2019.

5. RTD has sought and received public comment on the issue of potential service cuts as opposed to trip cancellations announced on day of service. RTD staff will present proposed service cuts to its Board of Directors for review on December 19, 2019.

6. Given the above facts, RTD now believes that it can provide its analysis based on manufacturer's report, and its further analysis concerning light rail operator hiring, retention and absences no later than January 15, 2020.

Respectfully submitted this second day of December, 2019.
